

Community Health and Safety Contact Catalog

League Directors of Player Safety and other league safety personnel should keep this document up to date and readily available. Catalog these resources and be familiar with what resources are available in your local community and where to send those who may need them.

Directors of Player Safety should add and edit the information contained in the document to fit the needs of their organization and community.

**Please check all local Laws and ordinances and keep this document for recordkeeping purposes.

Community Health and Safety Contact List:

Organization	Phone Number
Emergency	911
Police Non-Emergency Number	
Local School District Administration	
Community Mental Health Professional	
Local Red Cross	
Other Local Charity	
Child Welfare Organization	
Abuse Helpline	
Drug Treatment Center	
League Facilities Management Personnel	
Poison Control	
Women's/Childrens Shelter	

The above list should contain contact information for local organizations that can provide support to individuals in the community. Player safety personnel, administrators, coaches, parents, or other community members can and should contribute to identifying groups that can support the leagues safety policies.

The content provided in this resource and any supporting websites, sample documents, articles, forms, and other materials are provided for informational purposes only and are meant only to provide an overview of the health and safety topic that may apply to your organization, league, or team.
